By Dr. Ronald Meister  
Dr. Ronald Meister is an American scientist and inventor. He has written more than a thousand scientific papers, more than thirty books, given close to a thousand guest lectures, over 700 TV and radio appearances, five documentaries, and has recorded more than six hundred lectures. Since 1988, Dr. Meister has managed the BioTechnology Business Institute, which has in that time developed over 50 life-saving products. Ronald Meister's Book: The REAL Guide to Plant Nutrition Dr. Meister's books have sold more than 50 million copies and have been translated into more than 17 languages. The recipe for success is to be financially free from debt and a passion for life. The recipe for financial freedom is to have a regular income from your home-based business and passion for life. Dr. Meister's philosophy of business is that the life of an entrepreneur is never over, because life is for living, not just living to make money. To create more home-based businesses to provide a regular, stable income can be done in 15 to 30 minutes per week. The greatest contribution to mankind is not a book written by man, but ideas and information, which is available and free of charge, via
